

ENVIRONMENTAL EDUCATION RESOURCE LIST

BROWARD COUNTY ENVIRONMENTAL AGENCIES

Broward County Environmental Planning and Community Resilience Division					
ORGANIZATION/FOCUS	CONTACT PERSON	PHONE NUMBER	EMAIL ADDRESS	WEBSITE	SERVICES
Primary Contact for School Board/Broward County Environmental Partnership	Victor Suarez	(954) 519-1239	vsuarez@broward.org	broward.org/EnvironmentAndGrowth/Pages/Default.aspx	Classroom presentations. Help in identifying resources for environmental education projects.
Irrigation evaluations and indoor water audits	Maena Angelotti	(954) 519-1462	mangelotti@broward.org	broward.org/NaturalResources/Pages/Default.aspx	Conducts landscape irrigation evaluations and indoor water audits. Presentations in schools.
Water Resources Policy and Planning	Robert Rudolph	(954) 519-0328	rrudolph@broward.org	broward.org/NaturalResources/WaterResources/Pages/Default.aspx	related to local water supply planning, regional water resource management efforts, and Everglades restoration projects.
NatureScape Broward	Rose Bechard-Butman	(954) 519-0317	rbechardbutman@broward.org	broward.org/NaturalResources/NatureScape/Pages/Default.aspx	Information about creating Florida-friendly landscapes that conserve water, protect water quality, and create wildlife habitat.
Know the Flow	Kimberly Mayo	(954) 519-1470	kmayo@broward.org	broward.org/knowtheflow/Pages/Default.aspx	Information on water management in South Florida
Energy and Sustainability Program	Carrie Kashar	(954) 519-1265	ckashar@broward.org	broward.org/NaturalResources/ClimateChange/Pages/EnergyandSustainabilityProgram.aspx	Resources to help reduce Broward's carbon footprint
Broward County Environmental Monitoring Laboratory	Ileana Suarez-Hale	(954) 519-1477	isuarezhale@broward.org	http://www.broward.org/NaturalResources/Lab/Pages/Default.aspx	and water quality to ensure compliance with environmental regulations.
Broward County Sea Turtle Program	Stephanie Kedzuf	(954) 519-1255	skedzuf@broward.org	broward.org/NaturalResources/BeachAndMarine/SeaTurtles/Pages/default.aspx	Information on sea turtles
Broward County Manatee Program	Pat Quinn	(954) 519-1218	pquinn@broward.org	broward.org/Manatees/Pages/Default.aspx	Information on manatees
Broward County Pollution Prevention Division					
Air Planning & Monitoring Program	Elizabeth Malmstrom	(954) 519-1430	airoutreach@broward.org	broward.org/pollutionPrevention/Pages/Default.aspx	Environmental outreach focusing on air pollution.
Broward County Environmental Licensing and Building Permitting Division					
Wetlands	Linda Sunderland	(954) 519-1454	lsunderland@broward.org	broward.org/PermittingAndLicensing/Licensing/Engineering/Pages/LearnAboutWetlands.aspx	Information on Broward County wetlands.
Solid Waste	Damaris Lugo	(954) 519-1423	dlugo@broward.org	broward.org/WasteAndRecycling/EducationOutreach/Pages/Default.aspx	Information on solid waste, career day and earth day events
Broward County Parks & Recreation Division					
Ann Kolb Nature Center	Joanne Howes	(954) 357-5174	jhowes@broward.org	broward.org/Parks/WestLakePark/Pages/Programs	Nature Center fieldtrips focusing on the mangrove estuary
Fern Forest Nature Center	Nikki Hochberg	(954) 357-5198	nhochberg@broward.org	broward.org/Parks/FernForestNatureCenter/Pages/FernForest.aspx	Nature Center fieldtrips focusing on freshwater wetlands and ecology
Long Key Natural Area and Nature Center	Kelli Whitney	(954) 357-8797	kwhitney@broward.org	broward.org/Parks/LongKeyNaturalArea/Pages/Default.aspx	Nature Center fieldtrips focusing history and the Everglades.
Master Gardeners		(954) 357-5121	MasterGardener@Broward.org		Helps to identify items / issues in your garden
North Broward Natural Areas	Katharine Hendrickson	(954) 357-5100	khendrickson@broward.org	broward.org/Parks/FindNature/Pages/NaturalAreas.aspx	Customized educational fieldtrips in a variety of Florida habitats
Secret Woods Nature Center	Molly Taylor	(954) 357-8884	motaylor@broward.org	broward.org/Parks/SecretWoodsNatureCenter/Pages/Default.aspx	Fieldtrip about forest and New River ecology
University of Florida/IFAS Broward County Extension Office		(954) 357-5270		broward.org/Parks/Extension/Pages/Default.aspx	Tree trimming training, 4H, and Food and Nutrition
Broward County Transit Division					
Broward County Transit	Tarnell Carroll	(954) 357-8347	tcarroll@broward.org		School Presentations and Site Visit to Bus Depot (Youth fares, how to ride, safety tips, benefits of Public Transportation, etc.)
Broward County Environmental Kids Club					
				broward.org/Kids/EnvironmentalKidsClub/Pages/Default.aspx	
SCHOOL BOARD OF BROWARD COUNTY					
Applied Learning Department - Office of Academics					
Department Programs	Susan Cantrick	(754) 321-1850	susan.cantrick@browardschools.com	browardschools.com/departments/mathematics-science-and-gifted	Environmental Initiatives in BCPS
P ₃ Eco-Challenge	Rebecca Malones	(754) 321-1850	rmalones@browardschools.com	http://stembrowardschools.com/p3/	P3 Eco-Challenge
Environmental Conservation/Utility Management Department					
Department Programs	Ed See	(754) 321-4217	edward.see@browardschools.com	http://www.browardschools.com/departments/Environmental-Health-and-Safety	Environmental Conservation and Utility Management
Energy Analyst	Mitch Talmadge	(754) 321-4758	mtalmadge@browardschools.com	browardschoolsconserve.com/energy.htm	Analyze and forecast energy usage and savings at schools
Recycling Services	James Bowen	(754) 321-4220	james.bowen@browardschools.com	http://browardschoolsconserve.com/	Information about recycling in Broward schools
Career, Technical and Adult/Community Education					

Ag in the Classroom	Cynthia Griffin, Resource Specialist	(754) 321-8453	Cynthia.griffin@browardschools.com	academics.browardschools.com/ctace	Conducts teacher gardening workshops
Broward Education Foundation					
The Broward Education Foundation's Teacher Grants	Coco Burns, Program Coordinator	(754) 321-2032	colette.burns@browardschools.com	browardedfoundation.org/teacher-innovation-grants/	Grant dollars for innovative ideas
Tools for Schools	Hector Javier, Store Manager	(754) 321-9021	hector.javier@browardschools.com	browardedfoundation.org/tools-for-schools/	Free school supplies for Title I teachers
FEDERAL, STATE & LOCAL GOVERNMENT AGENCIES					
EPA Environmental Education Materials		(800) 241-1754	education@epa.gov	epa.gov/education	Professional Development, Awards, Resources, Publications and Funding Opportunities
Everglades National Park Environmental Education Program	Yvette M. Cano	(305) 242-7753	yvette_cano@nps.gov	Everglades National Park Curriculum Materials	Free - Curriculum Based Fieldtrips (day/overnight)
National Oceanic and Atmospheric Administration (NOAA) Education Outreach Center		(301) 713-1208		education.noaa.gov	Resources to help meet new science standards
NOAA Climate science education			climate-education@noaa.gov	https://www.climate.gov/	Resources for educators to teach climate science
United States Geological Survey		1-888-ASK-USGS (1-888-275-8747)		education.usgs.gov	The USGS and Science Education Science Information and Library Services (SILS) network of information specialists
USDA - Agricultural Research Service and Invasive Plant Research Lab (in Davie)	Eileen Pokorny	(954) 475-6575	Eileen.Pokorny@ARS.USDA.GOV	ars.usda.gov/fort-lauderdale-fl/invasive-plant-research-laboratory/	Free Tours - learning the importance of native habitats vs. non-native habitats
USDA National Institute of Food and Agriculture				nifa.usda.gov	Supporting initiatives for agriculture
USDA Natural Resources Conservation Service				nrms.usda.gov	Boosting agriculture/protecting natural resources
USGS National Wetlands Research Center				National Wetlands Research Center	The Fragile Fringe: A Guide for Teaching About Coastal Wetlands
Florida Fish and Wildlife Conservation Commission		(850) 488-4676		FWC Educators Resources	Curriculum Guides and Environmental Education Programs
Florida Department of Environmental Protection Coral Reef Conservation Program	Ana Zangroniz, Awareness & Appreciation Coordinator	(305) 795-1222	Ana.Zangroniz@dep.state.fl.us / coral@dep.state.fl.us	southeastfloridareefs.net	Traveling coral reef resource trunk for K-5 or 6-8 teachers (includes books, DVDs, coral replicas, laminated posters to keep & an activity manual with more than 30 lesson plans that are aligned with FL's Next Generation Sunshine Standards)
Florida Forest Service	Mark Torok, Regional Forester	(954) 453-2813	mark.torok@freshfromflorida.com	freshfromflorida.com/Divisions-Offices/Florida-Forest-Service	Outdoor classroom presentations for schools
Florida Forest Service (Forest Rangers/Wildland Firefighters)	Steve Markley, FFS Fire Prevention Team	(954) 680-4180	Steven.Markley@FreshFromFlorida.com	freshfromflorida.com/Divisions-Offices/Florida-Forest-Service	Wildfire Awareness Programs
Florida National Forests				National Forests in Florida	Diverse wildlife, natural springs, pristine natural environments
Florida Public Archaeology Network	Sara Ayers-Rigsby, MA, RPA, Mallory Fenn	(954) 254-9657	saversrigsby@fau.edu	FLPublicArchaeology.org	Classroom presentations and Training for teachers
South Florida Water Management District	Lorraine Mayers	(954) 452-4814 ext 4989	lmayers@sfwmd.gov	sfwmd.gov/portal/page/portal/levelthree/Educational%20Programs	Classroom presentations. Help in identifying resources for environmental education projects.
Broward Farm Bureau	Fred Segal or Bonny Hajducko	(954) 972-2525	bcfbonny@yahoo.com	http://www.browardfarmbureau.com/	Assist with Ag in the Classroom Trainings for teachers, garden grants
Central Broward Water Control District	Constance Ruppender	(954) 432-5110	outreach@centralbrowardwcd.org	centralbrowardwcd.org/education.htm	The district offers educational programming to fourth and fifth grade students within the district's boundaries.
LOCAL ENVIRONMENTAL EDUCATION GROUPS					
Environmental Conservation Organization		(954) 680-7977		eco-tan.org/index.html	Organizes the Enviro-Thon and partners on P3
Build-A Field Trip		(954) 772-7800	info@buildafieldtrip.com	buildafieldtrip.com	Educational field trips include canoeing, kayaking, snorkeling and camping
Camp Live Oak	Susanna Coleman	(954)563-4880	info@campliveoakfl.com	http://www.campliveoakfl.com/site/	Offering camp opportunities in winter, spring, summer and teacher work days
Diamond Del's	Barry Brockman, Director of Marketing	(864)505-3624	diamonddelgemining@gmail.com	http://www.diamonddel.com/	Interactive mobile gem mining adventure brings the thrill of gem mining to your school
Dye*Namic Creations	Diane Enten	(954) 680-5360	dianeenten@gmail.com	dyenamiccreations.com	Art and Science Programs
The Everglades Foundation	Jennifer Diaz, Director of Education	(786) 249-4430	jdiaz@evergladesfoundation.org	evergladesfoundation.org/what-we-do/curriculum/	Free online k-12 standards aligned Everglades lessons, 3 lessons per grade level.
International Game Fish Association Hall of Fame and Museum	Jack Vitek, Manager of Education/Outreach	(954) 924-4246	jvitek@igfa.org	igfa.org	Marine based science education programs
Guy Harvey Ocean Foundation	Greg Jacoski, Director of Operations	(954) 581-0073	greg@guyharvey.com	guyharvey.com/ocean-conservation/	Classroom shark and marine mammals posters, marine science films, Skype presentations to classrooms by NSU scientists, access to field trips
Holy Cross Hospital Growing Healthy Kids	Cathy Whitt, Community Outreach Coordinator	(954) 684-8413	Cathywhitt1@gmail.com		Ag/nutrition related student activities-teacher training
Kids Ecology Corps	Joan Starr	(954) 524-0366	kec@kidsecologycorps.org	kidsecologycorps.org/	Hands on Fieldtrip -Snyder Park butterfly/edible garden
Project Perch: Working to Protect and Nurture the Burrowing Owls in Southeast Florida	Kelly Heffernan, Avian Biologist	(978) 412-5313	kelly@harwichhaven.com	browardaudubon.org/Project_Perch_702G.html	Specializing in burrowing and screech owls

Project Primal -South Plantation High School	Gustavo Junco		gustavo.junco@browardschools.com	projectprimal.org	Help creating edible gardens
Mahogany Youth Corporation		(305) 603-7451	info@mahoganyoutdoors.com	mahoganyyouth.com	Programs to develop skill and self-esteem through fishing
Museum of Discovery and Science Schools and Groups		(954) 713-0930	sscarlatelli@mods.net	mods.org/groups	Educational program inquiries
Nature's Natives	Lynne Hudgins	(786) 383-3221	lynne@naturesnatives.com	naturesnatives.com	Promoting Children's Environmental Literacy
Nova Southeastern University- Sea Turtles	Curtis Slagle	(954) 262-3672	cs1858@nova.edu	cnso.nova.edu/sea_turtles	Sea Turtle Conservation and Education
Publix	Nicole Maristany Krauss	305-652-2411	Nicole.krauss@publix.com		
Sawgrass Nature Center		(954) 752- WILD	robin@sawgrassnaturecenter.org	sawgrassnaturecenter.org	Offers on- or off-site programming / animal education
Science Eye	Dawn Miller-Walker	(954) 680-7977	dwalker@scienceeye.com	scienceeye.com	Hands On in-school and field educational programs
South Florida Audubon Society	Doug Young / David Walker	(954) 232-1956	dyoung@southfloridaudubon.org	http://www.browardaudubon.org/	Climate Change Education, Sea Turtle and Bird Conservation
Thoroughbred Waste Services, LLC	Jilliann Lopapa		emshelpdesk@browardschools.com	http://www.thoroughbredwaste.com/	Recycling contractor for schools north of I-595
Young At Art Outreach Programs		954-424-0085 EXT 5030		youngatartmuseum.org	Hands-on learning in classroom (Pre K -12)
Youth Environmental Alliance (YEA)	Kristen Hoss	(954)382-0188 (248) 933-1069	kristenhoss@yeafrog.org	yeafrog.org/	Hands on experiential education programs for K - 12 (Cellular Celebrations CO2 Calamity, Cry of the Water, Energizing Ecology, Zooarchaeology, History Under the Sea, Wonderful
Wacky Wild Science	Seth Prezant	954-562-6803	fredmonski@wackywild.com	wackywild.com	Provides in-school field trips, in-camp field trips, after-school enrichment programs
World Waste Recycling	Eileen Damaso		emshelpdesk@browardschools.com	http://www.worldwasterecycling.com/	Recycling contractor for schools south of I-595
Wheelabrator South Broward Inc.		(954) 581-6606		wtienergy.com/	Converting waste into energy and products
OTHER RESOURCES					
Adopt Your Watershed				Adopt Your Watershed	Connect with information and restoration projects in your watershed
American Forest Foundation				affoundation.org	Promoting stewardship in our nation's forest heritage
Center for Aquatic and Invasive Plants University of Florida, IFAS	Katie Walters	(352) 279-3665		plants.ifas.ufl.edu	Lesson plans, videos and PLANT Camp for teachers
Defenders of Wildlife		(800) 385-9712		defenders.org	Protecting our nation's wildlife
EcoSchools USA				http://www.nwf.org/Eco-Schools-USA.aspx	Curriculum and recognition for being a green school
Florida Agriculture in the Classroom, Inc.		(352) 846-1391		Florida Agriculture in the Classroom	Provides lesson plans and grants
Florida Association of Science Teachers (FAST)				fastscience.org	Network of resources and grants
Florida Bat Conservancy Florida Bat Center				floridabats.org	Preserving bat populations in local community
Florida State University Coastal and Marine Laboratory				marinelab.fsu.edu	Research focused on the coastal and marine ecosystems of the Wider Caribbean
Florida Yards and Neighborhoods Florida-Friendly Landscaping Program		(352) 392-1831 x267		http://fyn.ifas.ufl.edu/	Florida -friendly landscaping and education
National Sea Grant Education Teacher Resource (The Bridge)				web.vims.edu/bridge/	Marine based science education programs
National Wildlife Federation Eco-Schools USA	Earn Points for the P3 Eco-Challenge			http://www.nwf.org/Eco-Schools-USA.aspx	7 pathways to sustainability
National Wildlife Federation Educator Resources				nwf.org/What-We-Do/Kids-and-Nature/Educators/Lesson-Plans	Browse or search for resources for professional development, climate change, global warming, lesson plans, endangered species, national and international events, activities for the classroom and more.
North American Association for Environmental Education				https://naaee.org/	environmental literacy and civic engagement through the power of education
The Nature Conservancy		(800) 628-6860		nature.org/	Conservation of land and water
Nutrients for Life Foundation				nutrientsforlife.org	Curriculum , lesson plans and posters
Project Food, Land and People	John H. Davis			foodlandpeople.org/	Educating - Agriculture, the Environment and People connect
Project Wild				projectwild.org	A wildlife focused conservation education program for K-12 educators and their students.
Save the Manatee Club				savethemanatee.org/	Protect manatees and their aquatic habitat
SE Partners in Amphibian & Reptile Conservation				separc.org/	Preservation of amphibian and reptile populations

Sea Turtle Conservancy				conserveturtles.org/	An urban environmental education program of the Council for Environmental Education (CEE) that focuses on water resources.
Soil and Water Conservation Society				swcs.org/	Research Education and Advocacy
University of Florida 4-H Youth Development Broward County Extension	Alexandra L. Draper	(954) 357-5270	adraper@broward.org	4_H Youth Development	Community and afterschool youth development program focused on STEM, leadership and healthy living
University of Florida Farm to School and Community Coordinator, South District	Beth Alexis	(954) 577-6385	balexis@ufl.edu	uffnp.org	Programming for SNAP eligible participants
Waste Reduction and Recycling Keep America Beautiful		(203) 659.3000		kab.org	Volunteer opportunities to beautify America's communities
Wet in the City				www.wetcity.org/	Environmental education focusing on water resources
